

# FRANCIES FERNANDES

## FRONT END DEVELOPER

07438 618585   ■   quebert88@gmail.com   ■   London, Hayes UB3 3ES

### CAREER OBJECTIVE

As an ambitious and dedicated Front-End Developer with a specialization in React.js, my goal is to leverage my technical expertise and creative mindset to design and develop captivating user experiences that push the boundaries of web applications. Driven by a passion for innovation, I strive to contribute my skills in crafting intuitive and visually appealing interfaces that enhance user engagement and satisfaction.

As a Front-End Developer, my objective is to continuously refine my skills, embrace challenges, and deliver solutions that not only meet but exceed client expectations. Through constant learning and growth, I seek to make a significant impact on the digital landscape, while embracing teamwork and innovation to create meaningful and user-friendly digital experiences for global audiences.

### EXPERIENCE

<div>■ <b>FRONT END DEVELOPER</b> Hamilton Capital Holding Limited London</div> <div><ul style="list-style-type: none"><li>Developed and maintained the Front end components of the Himalaya Exchange platform, ensuring a seamless and visually appealing user experience.</li><li>Participated in agile development processes, attending daily stand-ups and sprint planning meetings to contribute to project planning and progress tracking.</li><li>Developed comprehensive unit tests using testing frameworks like Jest and React testing library to ensure the reliability and correctness of React components and functions.</li></ul></div>	<div>May 2022 - May 2023</div> <div><ul style="list-style-type: none"><li>Collaborated with cross-functional teams, including designers and backend developers, to understand project requirements and translate them into scalable and efficient front-end solutions.</li><li>Demonstrated strong problem-solving skills and attention to detail, resolving front-end-related challenges and continuously improving the platform's usability and functionality</li></ul></div>
<div>■ <b>WEB DEVELOPER</b> Skyelint Technologies Mumbai</div> <div><ul style="list-style-type: none"><li>Implemented best practices and followed coding standards to maintain a clean and maintainable codebase, resulting in improved team productivity and reduced bug occurrences.</li><li>Developed reusable and modular components to streamline development processes and accelerate future project iterations.</li><li>Demonstrated versatility and adaptability by concurrently working on multiple projects, effectively managing time and priorities to meet tight deadlines and deliver high-quality results.</li></ul></div>	<div>October 2019 - February 2022</div> <div><ul style="list-style-type: none"><li>Mentored junior developers, sharing knowledge and encouraging professional growth within the team.</li><li>Developed comprehensive unit tests using testing frameworks like Jest and React testing library to ensure the reliability and correctness of React components and functions.</li></ul></div>

## EDUCATION

### ■ BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Valia College of Arts, Commerce and Science

April 2019

### ■ HIGHER SECONDARY CERTIFICATE

St. Xaviers Junior College

February 2016

### ■ SECONDARY SCHOOL CERTIFICATE

St Blaise High School

March 2014

## SKILLS

- React.JS
- Typescript
- CSS / SCSS / TailwindCSS
- Jest / React testing library / Cypress
- Node.JS
- MySQL
- GitHub
- Interface Design and Implementation
- Cloud AWS
- Redux
- JavaScript
- HTML / HTML5
- Next.JS
- Express.Js
- MongoDB
- Cross Browser Compatibility
- Scrum
- Docker

## CERTIFICATIONS

- React with Test Driven Development
- React Testing Library and Jest: The Complete Guide
